

# Rainbow Corner News

December 2009

## CLASSROOM EVENTS

This month we will be discussing Christmas and the holiday season. We will include different holiday celebrations that happen during this time of the year such as Hanukkah, Kwanzaa, and Las Posadas. Some of the concepts that we will be reviewing include: colors, shapes, numbers and the letters T and I. I'm looking forward to another busy month of fun and learning.

We will be having a pajamas party on Thursday December 17. The children can wear their pajamas to school. We will be having hot chocolate and popcorn for snack. We will read Christmas stories and watch a holiday movie.

Rainbow Corner Preschool and CARE are holding a special food drive for the YWCA pantry. If your family is able please bring in canned food or a boxed food item with you to school.

## REMINDERS

Book Orders are due on December 8, 2009

NO SCHOOL – Tuesday, December 22–  
Thursday, December 31. Classes resume on  
Tuesday, January 5, 2009

Holiday Movie is Sunday, December 20, please  
see back for the invitation.

If I haven't gotten your information for Creative Curriculum parents central, please get it in, I don't want anyone to miss the information that is available to you, including newsletters, events calendars, activities to do with your child and an online Journal to communicate with me.

## THE GIVING TREE

*I want to thank the families of Keegan, Gabe, Ian, Kadence, Olivia, Jackson, Alex and Sophie. We really appreciate the help and support that we receive from all of our families. We have added new apples for the month of December.*

## ACTIVITIES

- Decorate small boxes for keeping treasures in.
- Go to the Library and pick out some books to read.
- Take an evening walk or a drive and look at all the holiday lights.
- Have your child make decorations with leftover wrapping paper and bows.
- Spread peanut butter and bird seeds on a pine cone. Leave it outside for the birds to snack on.

## NOTE FROM KIMBERLY

Happy Holidays, I hope everyone has a wonderful season.

We are taking all precautions to keep a clean and healthy classroom. If your child is sick and has a fever please keep your child at home so we can limit exposure to illnesses. Please see back of newsletter for tips on keeping your family healthy during the cold and flu season.
