

# Classroom Times

Teacher: Kimberly, Jan and Barb

Date: March 2009

## Events

This month we will be concentrating on two units, community helpers and zoo animals. During the community helper's unit the children will learn about different types of jobs and how these jobs help us.

The end of the month the children are going to be learning about zoo animals. We will talk about the different animals that you would see in the zoo. They will also learn that zoo animals are taken care of by zoo keepers. They give them food, water and keep their homes clean.

## Activities

TUESDAY, MARCH 17  
is Green Day! Everyone please wear green!

WEDNESDAY, MARCH 25  
The zoo is coming. The morning session the zoo will be here at 10:30. They will be bringing 3 to 4 animals with them to show the children and to talk about. The afternoon session the zoo will start it's presentation at 12:20. Please arrive at 12:15 on this day.

## Activities

\* At bedtime, use a flashlight to make shapes or letters on the ceiling. Ask your child to guess what you're making.

\* Play "I spy with my little eye something colored (red); and have your child guess what you are looking at.

\* Sort laundry together. Sort by color, by types of items (all shirts together) and by family member or size.

\* Go to the library and find books to read together.
